Voting Instructions

Name of the shareholder (in print): _____

In order to give voting instructions for your representative please mark a cross (X) to the items below.

Should you not mark a cross to one or more items below, your representative shall vote in favour of the proposal presented in the notice of the Annual General Meeting.

However, with regard to item 8, it is possible to vote on both the equity repayment proposal and to demand minority dividend. If a minority dividend pursuant to Chapter 13 Section 7 of the Finnish Limited Liability Companies Act would become payable, no equity repayment shall be distributed in accordance with item 8 of the notice. In case you vote for the equity repayment proposal and do not demand minority dividend, the minority dividend row is left unfilled.

“**Abstain from voting**” means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority (e.g. agenda items 16 and 17). In qualified majority items all shares represented at the Annual General Meeting are taken into account and abstentions thus have the same effect as votes “**Against/No**”. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
